J. J. Hooper

PROBAT OF THE FOREGOING OATH, OR AFFIRMATION.

Be it remembered, that on this twenty-fourth day of October A.D. 1840 came before me J. J. Hooper a Justice of the Peace resident in the County of Tallapoosa & District of Alabama an Assistant to the Marshal of the Southern District for performing the duties prescribed by the act of Congress to provide for taking the Sixth Census or Enumeration of the Inhabitants of the United States, and for other purposes, and took, and in my presence subscribed, the above oath.

Albert Hooper J.P.

The State of Alabama Tallapoosa County

I is to certify that we appointed with Tallapoosa County, and that it is a large and very thickly populated, and willingly that it is a matter of County - that it is very difficult to make the Tallapoosa River running the Census any business like that of Coosa extreme length & any business like that of Coosa extreme length & heavily difficult. It would be hardly at least 24 M. the County is 48 miles, and it is not think that the We do not think that the Census would admitted the highest compensation for his trouble quarterly expenses for this county, in this generally in and expense - The family, annual, averaging the County are very small, average only eight and a fraction -
